LATINA MALDIVIANA

FESTIVE SEASON
2025

Dear Guests and Friends,

Welcome to Conrad Maldives Rangali Island, where the Indian Ocean, coral gardens, and endless horizons invite you to celebrate life, light, and connection. It is my pleasure to welcome you to our festive season: Latina Maldiviana, a radiant blend of Latin vibrance and Maldivian serenity.

From the moment you arrive by seaplane, barefoot elegance and island magic become your rhythm. Our twin islands offer promises at sunrise and enchantment by sunset, alongside experiences found nowhere else on earth. From undersea luxury at The Muraka and Ithaa, to worldclass dining at any of our 11 restaurants and venues, to adventures both over and underwater, there is something on these islands for the whole family to enjoy.

Yet above all, it is our people who define us. With every smile, bespoke touch, and heartfelt welcome, we hope to create moments that feel deeply personal and unforgettable.

This season, Latina Maldiviana invites you to savour passionate rhythms, bold flavours, glittering nights, laughter under the stars, and quiet wonder beneath swaying palms. Our team is working with true joy to craft a celebration that is vibrant, soulful, and unforgettable.

On behalf of all of us at Conrad Maldives, I wish you a season filled with joy, connection, and island magic.

Yours sincerely,

Nick Flynn
General Manager

This festive season,
Conrad Maldives Rangali Island
invites you to surrender to

LATINA MALDIVIANA

A sun-soaked celebration where the soul of
Latin America dances with the spirit of the Maldives.

Imagine the rhythm of samba echoing across
turquoise lagoons, the scent of grilled seafood laced
with Maldivian spice, and the laughter of a beachside
fiesta under swaying palms wrapped in golden light.

It's a celebration of joy, rhythm, and connection.

Where sultry Latin nights meet barefoot island
elegance. Here, on these two islands, every moment
is infused with fire and flavor, music and movement,
crafted to awaken the senses and stir the soul.

This is the Festive Season, reimagined.
Bold, tropical, and unforgettable.

TRAVEL WITH PURPOSE

Growing a greener future, one island at a time

This festive season, we celebrate a tradition rooted not only in joy, but in responsibility to our community, our islands, and the generations yet to come. At the heart of our sustainability commitments stands one of our most meaningful initiatives: a pioneering hydroponics program that is transforming the agricultural landscape of South Ari Atoll.

What began as a simple desire to cultivate fresh, island-grown produce has evolved into a movement. Since 2022, Conrad Maldives has donated and installed hydroponic gardens across nearby local islands, strengthening food security, reducing reliance on imports, and inspiring young islanders to embrace modern, sustainable farming.

Each garden comes to life with 1-2 hydroponic systems capable of growing up to 180 leafy greens, alongside fertigation cucumber units and greenhouse structures. Supported through Hilton Action Grants, direct resort funding, and at times co-sponsorship from our guests, the program also includes hands-on training to ensure long-term local stewardship. Today, four islands are actively harvesting, with three more installations planned—bringing us closer to completing our sustainability circle across the atoll.

Our commitment began at home. Since 2014, the resort's own hydroponic garden has supplied our kitchens, bars and spa with an abundance of fresh produce, over 1,260 kg of lettuce and 540 kg of mint every year, along with basil, banana, and aloe vera. This reduces our carbon footprint while ensuring unmatched freshness for our guests and team members, nourishing our own island community.

As we gather to celebrate the spirit of the season, we also honor the values that bind us: generosity, shared progress, and respect for our natural world. With every garden planted, we cultivate more than crops—we nurture knowledge, resilience, and hope for a greener tomorrow.

This is sustainability in action. This is our gift to the atoll we call home.

A LITTLE SPARKLE, A BIG IMPACT

Festive cheer that cultivates change

Take home a treasure that carries both beauty and purpose. Our limited-edition ornaments with original art by renowned Maldivian watercolor artist Shimha Shakeeb capture the spirit of the Maldives. Each delicate piece is a miniature work of art, crafted to grace your tree and forever echo the serenity of your island escape.

By collecting one, you become part of a greater story. A portion of the proceeds will directly support our Hydroponics Project across South Ari Atoll, helping local islands cultivate fresh produce, strengthen food security, and nurture a more sustainable future for the communities we call our neighbors.

Decorate with joy, give with intention, and let your holiday spirit help new gardens flourish across our atoll.

US\$40 PER ORNAMENT

**A PORTION OF THE PROCEEDS WILL HELP FUND THE HYDROPONICS PROJECT
OF CONRAD MALDIVES, WHERE WE AIM TO INSTALL A HYDROPONICS SYSTEM IN
EVERY LOCAL ISLAND IN THE SOUTH ARI ATOLL.**
